

# BALÁZS MOLNÁR

---

**Email**            aplakosz@gmail.com  
**Phone**            +36 30/994-8040  
**Address**        Hungary, 6000 Kecskemét, Nagy László utca 2. 5/17.  
**Birth year**      1999

## Studies

---

September 2018 – present:

***Chemical Engineering BSc***  
**Budapest University of Technology and Economics (BUTE)**

2010 – 2018:

**Kecskemét Bányai Júlia Secondary School**

## Work experience

---

January 2019 – present:

***Organic preparative research work***  
**BUTE, Organocatalysis Subgroup (Supramolecular Chemistry Research Group, Department of Organic Chemistry and Technology)**  
*Synthesis and application of cinchona-based organocatalysts*  
Supervisor: Dr. József Kupai

## Presentations

---

**Molnár, B.;** Kisszékelyi, P.; Nagy, S.; Dargó, G.; Fehér, Z.; Huszthy, P.; Kupai, J.: Synthesis, application and recovery of cinchona-based organocatalysts modified with hydrophobic moiety, *XLII. Chemistry Lectures*, Szeged, Hungary, 28-30. 10. 2019

## Languages

---

<b>Hungarian</b>	Native speaker
<b>English</b>	Intermediate (B2), BUTE Language school
<b>German</b>	Advanced (C1), TestDaF

## Competitions

---

*Chemistry OKTV (National Secondary School Academic Competition)* – national **2<sup>nd</sup>** place (2018)

## Hobby

---

Running, hiking, skiing, classical music
